Dear Parent

Your child has been enrolled in a Child Care facility that is licensed by the **Colorado department of Human Services**. The license indicates that this child care facility has met the required standards for operation of a child care facility. If you have not done so, please ask to see the license and the most recent report of inspection.

Most licensed facilities make every effort to provide a safe and healthy environment for children. Unfortunately on rare occasions, an incident of physical or sexual abuse may occur. If you believe that your child has been abused, you should seek immediate assistance from:

Jefferson County Department of Social services 303-636-1750

Colorado law requires that the child care provider report all known or suspected cases of child abuse or neglect.

Child care services plays an important role in supporting families and strong families are the basis of a thriving community. Your child's education, physical, emotional and c\social development will be nurtured in a well planned and run program. Remember to observe the program regularly, especially with regard to children's health and safety, equipment, play material and staff. For additional information regarding licensing, or if you would like to review a licensed facilities file. Please contact:
